

Come early this week if you can. If everybody comes Saturday and wants his suit for Easter Sunday, we can't do all the necessary altering within that time. This is said in your interest as well as ours: we think enough of our clothes not to want 'em spoiled; we want you to have your full money's-worth.

Light overcoats: \$10 to \$30.

Derby: \$3—but there's no hurry about that; the fashionable styles—all of 'em—are waiting to be picked out.

Patent-leather shoe: \$5.

Underwear to fit long- and short-arm men and slim and stout men.

Two new gloves for this season: slate and tan suede. Dainty, well-made, meant for dress, not for tally-ho driving, \$2.
